

TECHNICAL DATA SHEET ALCON DIESEL FUEL ANTI-FREEZE

1. Product Description

By means of special formulation; this product protects fluency of diesel fuel in a cold weather by under control to occurrence of paraffin crystal on fuel and also avoid congesting of filters. Protects core spray system from corrosion and rust. Facilitates the starting of the engine.

2. Properties

- It provides operational reliability in all diesel engines at low temperatures.
- It is especially useful for troubleshooting
- Compatible with fuel oils.

3. Technical Information

Form	: Liquid
Colour	: Red
Odour	: characteristic
Density	: 1.0 -1.1 g / cm ³
Water solubility	: not soluble

4. Application Details

Add on fuel tank before the fuel temperature drops below 5 C. The efficiency increases when it is put into empty storage. ALCON Diesel Fuel Anti-Freeze 300 ml protects 300 L fuels from cold until maximum -30 C (depending on kind and quantity of fuel). It is recommended to repeat the process at every refueling.

5. Packaging

CODE	PRODUCT NAME	PACKING	PARCEL
M-9607	DIESEL FUEL ANTI-FREEZE	300 ml.	12

6. Shelf Life and Storage

Shelf life is 2 years from production date . Keep temperatures above 50 ° C and away from direct sunlight. Store in a cool, dry place. Keep containers closed and upright, protecting them from physical damage. Avoid static discharge.

7. Caution

H226 Flammable liquid and vapour.
H315 Causes skin irritation.
H319 Causes serious eye irritation.
H304 May be fatal if swallowed and enters airways.
H340 May cause genetic defects.
H336 May cause drowsiness or dizziness.
H350 May cause cancer.
H411 Toxic to aquatic life with long lasting effects.
P101 If medical advice is needed, have product container or label at hand.
P102 Keep out of reach of children.
P103 Read label before use.
P201 Obtain special instructions before use.
P210 Keep away from heat/sparks/open flames/hot surfaces. — No smoking.
P273 Avoid release to the environment.
P280 Wear protective gloves/protective clothing/eye protection/face protection.
P301+P310 IF SWALLOWED: Immediately call a POISON CENTER or doctor/physician.
P331 DO NOT induce vomiting.
P302+P352 IF ON SKIN: Wash with plenty of soap and water.
P403+P233 Store in a well-ventilated place. Keep container tightly closed.
P405 Store locked up.
P410 Protect from sunlight.

8. Health and Safety

For more information and advice on the safe handling, storage and disposal of chemical products, users shall refer to the most recent Material Safety Data Sheet containing, physical, ecological, and toxicological and other safety related data.
