

TECHNICAL DATA SHEET

ALCON GASOLINE FUEL SYSTEM CLEANING ADDITIVE

1. Product Description

This cleaning product specially designed for petrol engines; cleans fuel injectors, valves, combustion chambers and fuel system and prevents formation of deposits. Provides protection against rust and corrosion. It makes working cold easier.

2. Properties

- Maintains the cleanliness of the fuel system.
- Reduces the octane requirement increase.
- Prevents the formation of deposits in the carburettor and on injectors and valves.
- Lubricates the injectors, the inlet valves, fuel system and upper cylinder area.
- Protects against rust and corrosion.
- Facilitates cold starting.
- Reduces pre-ignition.
- Is suitable for leaded and unleaded petrol and does not contain components that harm catalytic converters

3. Technical Information

Form	: Liquid
Colour	: Green
Odour	: characteristic
Density	: 1.0 -1.1 g / cm ³
Water solubility	: not soluble

4. Application Details

Shake the canister thoroughly before use. One bottle 300 ml for 60-70 lt fuel. empty the entire product into the tank and then test drive for 10-15 minutes.

5. Packaging

CODE	PRODUCT NAME	PACKING	PARCEL
M-9612	GASOLINE FUEL SYSTEM CLEANING ADDITIVE	300 ml.	12

6. Shelf Life and Storage

Shelf life is 3 years from production date . Keep temperatures above 50 ° C and away from direct sunlight. Store in a cool, dry place. Keep containers closed and upright, protecting them from physical damage. Avoid static discharge.

7. Caution

H226 Flammable liquid and vapour.

H302 Harmful if swallowed.

H304 May be fatal if swallowed and enters airways.

H336 May cause drowsiness or dizziness.

H351 Suspected of causing cancer.

H410 Very toxic to aquatic life with long lasting effects.

P210 Keep away from heat/sparks/open flames/hot surfaces – No smoking.

P233 Keep container tightly closed.

P273 Avoid release to the environment.

P280 Wear protective gloves/protective clothing/eye protection/face protection.

P301+P312 IF SWALLOWED: Call a POISON CENTER or doctor/physician if you feel unwell.

P308+P313 IF exposed or concerned: Get medical advice/attention.

P403+P233 Store in a well ventilated place. Keep container tightly closed.

8. Health and Safety

For more information and advice on the safe handling, storage and disposal of chemical products, users shall refer to the most recent Material Safety Data Sheet containing, physical, ecological, and toxicological and other safety related data.
