

TECHNICAL DATA SHEET

ALCON DIESEL CETANE BOOSTER ADDITIVE

1. Product Description

Thanks to its special formulation; increases the cetane number of the fuel. Injectors help reduce fuel consumption by keeping the combustion chamber and fuel system clean. Increase the draw. Reduce the formation of soot in the combustion system. Allows the engine to operate without knocking. It makes it easier to fire.

2. Properties

- Increases fuel economy
- Improves the spontaneous auto-ignition point of diesel fuel for more complete combustion and better performance
- Controls rapid pressure rise within cylinders for quieter, smoother operation
- Reduces crank time to start, lowering stress on battery and starter
- Reduces white smoke, emissions and odor
- Improves cold-temperature starting for more reliable use
- Reduces misfiring during warm-up and at low temperature, saving on engine wear
- Ashless and alcohol-free

3. Technical Information

Form	: Liquid
Colour	: Red
Odour	: characteristic
Density	: 1.0 -1.1 g / cm ³
Water solubility	: not soluble

4. Application Details

Shake the canister thoroughly before use. One bottle 300 ml for 60-70 lt fuel. empty the entire product into the tank and then test drive for 10-15 minutes.

5. Packaging

CODE	PRODUCT NAME	PACKING	PARCEL
M-9613	DIESEL CETANE BOOSTER ADDITIVE	300 ml.	12

6. Shelf Life and Storage

Shelf life is 3 years from production date . Keep temperatures above 50 ° C and away from direct sunlight. Store in a cool, dry place. Keep containers closed and upright, protecting them from physical damage. Avoid static discharge.

7. Caution

H226 Flammable liquid and vapour.

H302 Harmful if swallowed.

H304 May be fatal if swallowed and enters airways.

H336 May cause drowsiness or dizziness.

H351 Suspected of causing cancer.

H410 Very toxic to aquatic life with long lasting effects.

P210 Keep away from heat/sparks/open flames/hot surfaces – No smoking.

P233 Keep container tightly closed.

P273 Avoid release to the environment. P280 Wear protective gloves/protective clothing/eye protection/face protection.

P301+P312 IF SWALLOWED: Call a POISON CENTER or doctor/physician if you feel unwell.

P308+P313 IF exposed or concerned: Get medical advice/attention.

P403+P233 Store in a well ventilated place. Keep container tightly closed.

8. Health and Safety

For more information and advice on the safe handling, storage and disposal of chemical products, users shall refer to the most recent Material Safety Data Sheet containing, physical, ecological, and toxicological and other safety related data.
