

TECHNICAL DATA SHEET ALCON GASOLINE OCTANE BOOSTER ADDITIVE

1. Product Description

Thanks to its special formulation; the condensate distributes the water formed in the gasoline tank. As a result, rust and corrosion in the fuel storage will be prevented. Increase the octane value of leaded or unleaded fuels by 2 or 3 units. Reduce fuel consumption. Reduce motor noise. Reduces emissions. Increases first take-off performance.

2. Properties

- Increases both research and motor octane numbers.
- Reduces the quantity of pollutant emissions (carbon monoxide, unburnt hydrocarbons and nitrogen oxides).
- Brings power through improved combustion with excellent acceleration and performance gains.
- Maintains the cleanliness of the combustion chamber and avoids knocking phenomena.
- Reduce engine pinging.

3. Technical Information

Form	: Liquid
Colour	: Green
Odour	: characteristic
Density	: 1.0 -1.1 g / cm ³
Water solubility	: not soluble

4. Application Details

Shake the canister thoroughly before use. One bottle 300 ml for 40-50 lt fuel. empty the entire product into the tank and then test drive for 10-15 minutes.

5. Packaging

CODE	PRODUCT NAME	PACKING	PARCEL
M-9614	GASOLINE OCTANE BOOSTER ADDITIVE	300 ml.	12

6. Shelf Life and Storage

Shelf life is 3 years from production date . Keep temperatures above 50 ° C and away from direct sunlight. Store in a cool, dry place. Keep containers closed and upright, protecting them from physical damage. Avoid static discharge.

7. Caution

H226 Flammable liquid and vapour.

H302 Harmful if swallowed.

H304 May be fatal if swallowed and enters airways.

H336 May cause drowsiness or dizziness.

H351 Suspected of causing cancer.

H410 Very toxic to aquatic life with long lasting effects.

P210 Keep away from heat/sparks/open flames/hot surfaces – No smoking.

P233 Keep container tightly closed.

P273 Avoid release to the environment.

P280 Wear protective gloves/protective clothing/eye protection/face protection.

P301+P312 IF SWALLOWED: Call a POISON CENTER or doctor/physician if you feel unwell.

P308+P313 IF exposed or concerned: Get medical advice/attention.

P403+P233 Store in a well ventilated place. Keep container tightly closed.

8. Health and Safety

For more information and advice on the safe handling, storage and disposal of chemical products, users shall refer to the most recent Material Safety Data Sheet containing, physical, ecological, and toxicological and other safety related data.
