

TECHNICAL DATA SHEET ALCON VALVE GRINDING PASTE

1. Product Description

It gives best results in engines intake and escapes valves lapping, in buffing, gloss and burnish works. Besides, it is useful for removing and repairing metal deformations which occurs from hard usage conditions on metal surface.

2. Properties

- High durability metal surface abrasion
- Provides, recovery, honing, cleaning and burnishing in metals
- It is an ideal material for lapping of intake and escape valves.

3. Technical Information

Form : Paste

Color: Green

Odor : characteristic

4. Application Details

Thanks to its special formula, it provides high quality abrasion, honing, cleaning and burnishing. As first, it is suggested to abrasion with dope, then glossing and finally to make furnishing operations.

5. Packaging

CODE	PRODUCT NAME	PACKING	PARCEL
M-9903	VALVE GRINDING PASTE DOUBLE BOX	100 gr. BOX	72
M-9910	VALVE GRINDING PASTE NO: 40-60-80-100	250 gr. BOX	12
M-9911	VALVE GRINDING PASTE NO: 120-150-180-220	250 gr. BOX	12
M-9912	VALVE GRINDING PASTE NO: 280-400-600-800-1200	250 gr. BOX	12

6. Shelf Life and Storage

Shelf life is 5 years from production date . Keep temperatures above 50 ° C and away from direct sunlight. Store in a cool, dry place. Keep containers closed and upright, protecting them from physical damage. Avoid static discharge.

7. Caution

- Keep out of reach of children.
- Avoid contact with eyes and skin.
- In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.
- After contact with skin, wash immediately with soap and plenty of water.
- Do not empty into sewer. Waste and cabin collection of dangerous or special waste Dispose of them in place.
- Wear suitable gloves and eye / face protection.
- Avoid release to the environment. For specific instructions / safety data sheet The application.

8. Health and Safety

For more information and advice on the safe handling, storage and disposal of chemical products, users shall refer to the most recent Material Safety Data Sheet containing, physical, ecological, and toxicological and other safety related data.
