

TECHNICAL DATA SHEET ALCON AUTO QUICK WET POLISH

1. Product Description

Alcon Auto Quick Wet Polish, forms a shiny and smooth film layer on vehicle surface through water-activated polymers. Instead of drying wet vehicle first then polishing, it provides to do both at the same time. Through its developed special formulation makes the surface water repellent, so provides drying in a short while and easily. Therewithal helps to avoid accumulation of dirt, dust, particles on the surface. It is resistant to detergents and cleaning agents. Transforms your vehicles paint as smooth as beginning.

2. Properties

- Fast and strong effect.
- Does not cause corrosion and damaging.
- Easy application
- Water repellent effect.
- Protective film layer

3. Technical Information

Form	: Liquid
Colour	: colourless
Odour	: perfume
Density	: 1.0 -1.1 g / cm ³
Water solubility	: soluble
pH	: 7

4. Application Details

Shake it before using. After vehicle washed, spray it to surface local. Rub in fast polish with circular movements by a micro-fiber cloth and dry and shine by doing that. The moisture spontaneously evaporates and nano polymers in the product form a protective film on the paint. Do not apply to very hot surfaces and under direct sunlight.

5. Packaging

CODE	PRODUCT NAME	PACKING	PARCEL
M-9993	AUTO QUICK WET POLISH	500 ml.	12
M-9952	AUTO QUICK WET POLISH	1 kg.	6
M-9953	AUTO QUICK WET POLISH	5 kg.	4
M-9899	AUTO QUICK WET POLISH	25 kg.	1

6. Shelf Life and Storage

Shelf life is 2 years from production date . Keep temperatures above 50 °C and away from direct sunlight. Store in a cool, dry place. Keep containers closed and upright, protecting them from physical damage. Avoid static discharge.

7. Caution

- H302 Harmful if swallowed.
- H315 Causes skin irritation.
- H318 Causes serious eye damage.
- H319 Causes serious eye irritation.
- H335 May cause respiratory irritation.
- P102 Keep out of the reach of children.
- P260 Do not breathe dust / fume / gas / mist / vapors / spray.
- P264 Wash hands thoroughly with soap and water after handling.
- P271 Use only outside or in a well-ventilated area.
- P280 Wear protective gloves / protective clothing / eye protection / face protection.
P302 + P352 IF ON SKIN: Wash with plenty of soap and water.
- P305 + P351 + P338 IF IN EYES: Rinse cautiously with water for several minutes. If installed and easy to do, remove contact lenses. Continue rinsing.
- P309 + P311 IF exposed or if you feel unwell: Call a POISON CENTER or doctor / physician. P403 + P235 Store in a well-ventilated area.

8. Health and Safety

For more information and advice on the safe handling, storage and disposal of chemical products, users shall refer to the most recent Material Safety Data Sheet containing, physical, ecological, and toxicological and other safety related data.
